Due to the increasing number of online reservations from guests who simply do not show up, we are unfortunately compelled to ask you to pay a 10% deposit at the time of booking. This can be done via the payment link on the confirmation or via a bank transfer.

You now also have the option to select the cancellation fund during booking. With the cancellation fund, you will receive 100% of the paid reservation costs back into your bank account in case of cancellation.

Without the cancellation fund through us, you will only be able to recover the costs from your own insurance.

The remaining costs of your stay can be paid at the campsite. This can be done either in cash or with your bank card/credit card. You may do this upon arrival, or if you are unsure of your departure date, for example due to the weather or other circumstances, upon departure.

If you prefer to pay for your stay in advance by bank transfer, this is of course no problem. We kindly ask that you do this at least 5 working days before arrival so that we can process your (international) payment in time for your arrival.

We reserve the right to cancel your reservation if no deposit has been made within the specified period.
